Right Angle Archive Project. Recently, Right Angles from April 1997 (No.1) to May 2007 were discovered in a box in the Secretaries attic. A long term project has begun to scan these issues on to the Homepage. Years 1995 and 1996 are now available. A lot of work has gone into producing these two years, but the historical content is worth the effort.

Have a look under the Right Angle section.
